Education

KL University   *Vaddeswaram, India*
B.Tech in Computer Science   *Dec 2025*
- **Courses:** Computer networking systems, Data Structures, Operating systems, Database management system, Artificial Intelligence for Data Science, Advanced Java, Python, Digital logic, and processors
- CGPA : 9.34

Work Experience

AICTE and eduskills   *India*
AWS cloud virtual intenship   *Dec 2022 - Feb 2023 · 2 mos*
- This internship provided me with a solid foundation in cloud computing concepts, such as infrastructure as a service (IaaS), platform as a service (PaaS), and software as a service (SaaS). Participants can understand the advantages of cloud computing and how it can benefit businesses.
- I learned about various AWS services, including computing, storage, databases, networking, security, and analytics. They can understand these services' features, use cases, and best practices.
- **Megha Club:** Vice-president of Megha Technical Club in KL University(2023-2024) .

University Projects

Space and Aesthetic Management System   *Vaddeswaram, India*
KL University   *Oct 2022 - Nov 2022*
- The field of travel and tourism primarily deals with taking care of tourists, hospitality management, travel management, tour management etc.
- Travel and Tourism management professionals may manage the accommodation, travel modes, tour program, and overall stay of such tourists in India.Not only in India, travel and tourism professionals may also perform the above mentioned tasks abroad, where they may take Indian nationals on tours.
- This is the article written by me about our Skill development project : Travel Tourism and Hospitality Management
